Birth Numerology Reading of 2024-01-11

## **Ruling Number 2**

## **Lucky Or Life Path Number 2**

### **Description**

11 is composed of two 1's which is the number of the Sun. The 1 repeated twice in this compound makes its Native Obstinate, Revolutionary and Authoritative. In Theology, 11 is a number of negative omens, of sinners and of penance. In Hindu religion, 11 is not negative but dynamic and auspicious. Psychic 2 born on the 11th of any month, though affected by the Moon can achieve commendable success in later life. 11 has the special sensitivity and intuition for feeling spiritual vibrations and seeing ghosts and spirits, for clairvoyance and trance mediumship. This number is successful in love and gets position and honour in life. This has potent powers and its vibrations reach out to others and takes control of almost every situation. Individuals with this number must be careful for they are prone to make many secret enemies. People with this compound as their name number must beware of deceptions and betrayals from their most trusted near and dear ones.
